2. ST MARYS COURT ALLOTMENT FENCING WORKS.

It was confirmed by Broadland District Council that the damaged fence and gate panels on the allotment area was not included in the remedial works quote.

The clerk informed the council that the allotments could not be open until fence repairs had been carried out. Broadland District Council advised the clerk to obtain quotes for the fencing work which could be financed with the S106 money due from the Orbit Homes Development on Buxton Road.

The clerk asked three fence companies to quote for the work of which only one came back. Sprowston Fencing quoted £1,443 to repair the fencing.

In absence of the Chair and Vice Chair Councillor Rowe was voted to chair the meeting and asked the council for approval to carry out these works. Councillor Rowe, Councillor Hancock and Council Vincent agreed. Councillor Daly abstained.
