3. TO RESOLVE WAY FORWARD FOR EXPENDITURE OF VILLAGE CHRISTMAS TREE.

Councillor Knight had been looked into sourcing a Christmas Tree for Spixworth. He had permission from the shopping area landowner to place the tree on an area of grass next to Property Ladder and to power the lights by installing a plug on the side of the Property Ladders building.

Cozens street lighting were able to provide a Christmas tree and lights and carrying out the instillation. The cost for the work would be £4,500.

Councillor Vincent advised that the council could obtain a community grant through the district councillor towards funding the tree this year.

The council took a vote all were in favour to purchase the tree. Councillor Daly opposed as he was concerned it was being rushed through to erect a Christmas tree this year.

Meeting closed at 6:20pm
